

ALPHA OMEGA  
GYMNASTICS'

# TUMBLE BUG

adventure days

## NOVEMBER 9 & 10 CURRICULUM

### Objectives

This week at Tumble Bug  
Adventure Days Children will:

- Explore pumpkins through touch, smell, and sight.
- Develop motor skills through jumping, hanging on bars, and swimming through the pit.
- Demonstrate proper place setting and preparing for a Thanksgiving meal.

### Theme

Fall  
Thanksgiving  
Pumpkins  
Leaves

 **Music Time**

 **Gym Time**

 **Art Time**

 **Play Time**

 **Brain Time**

 **Snack Time**

 **Imagination Time**

 **Story Time**

 During Gym Time this week, we will be playing in the pit, on the bars, and on the tumble trampoline. Our focus on the bars will be learning front support and proper swinging.

 During Brain Time this week, we will be dissecting pumpkins, making a pumpkin volcano, and creating patterns with Fall items such as leaves, acorns, and pumpkins.

 During Art Time this week, we will be coloring a booklet and making happy Fall hats. Activities such as coloring helps preschoolers strengthen finger muscles, which helps future pencil grip.

 During Music Time this week, we will be singing silly songs about scarecrows, turkeys, and squirrels. These songs will help with body awareness and make us laugh.

 During Play Time this week, we will be searching for turkeys around the gym, exploring sensory bags, and building with Lincoln Logs.

 During Imagination Time this week, we will be pretending to be at Thanksgiving dinner. We will learn how to set the table, and give everyone their meal.

 During Snack Time this week, we will eat our snacks while talking about different foods and traditions we like at Thanksgiving.

 During Story Time this week, we will be reading books about Thanksgiving and Fall. We will also be going over the letter 'T'.
