

Temporary Re-opening Safety Procedures

Effective June 1, 2020 – Evaluated on a month to month basis

Please read these important details

- 7**
- * Staff Members will wear face masks
 - * Spectators should wear face masks
 - * Face masks for students are optional
 - * Spectators or students should stay at home and not attend if they have any underlying health issues or display any signs of COVID-19, including a fever that exceeds 100.4
 - * Temperatures will be checked before entering the building
 - * Hand Sanitizer should be administered once entering the building
 - * Staff & students will use hand sanitizer between each rotation
 - * When possible: Check in students, leave during class time, and pick up near back entrance when class has been completed
 - * When staying to watch class; limit the number of other spectators and socially distance
 - * Stations in the gym will be designed to naturally social distance all students
 - * The "Pit" will be temporarily closed
 - * Facility will be cleaned and wiped down between all classes, including nightly deep cleaning
 - * Classes will end 5 minutes early to help with traffic control as well as extra cleaning before the start of the next class
 - * All Open Gyms (Homeschool, Preschool, Friday Night, & Saturday) will be temporarily suspended and will be evaluated on a week to week basis.
